**Overview**

HCI International 2011 jointly with the affiliated Conferences, which are held under one management and one registration, invite you to Orlando, Florida, USA to participate and contribute to the dissemination and exchange of up-to-date scientific information on human-computer interaction, sciences, and related areas of HCI through the following modes of communication: Plenary / Keynote Presentations, Parallel Paper Presentations, Tutorials, Poster Sessions, Tutorials and Exhibition. The Conference will start with the International 2011 Conference on ﬁnal day of Tutorials, Parallel Sessions, Poster Sessions and the Exhibition be held during the last three days of Conference.

The Conference focuses on the following major thematic areas: Empirics and Cognitive Ergonomics and Human-Computer Interaction. The conference will be held at the Hilton Convention Center, Orlando, Florida. Its year-round mild weather is one of the best locations in the world for conferences, meetings and other business-oriented gatherings. The Kayserian Spa, Disney World®, Disney World® Resort, the Universal Studios, the Central Florida Zoological Park, are some of Orlando’s famous attractions.

**Proposals for Participation**

All submissions will be handled through the Conference Management System (CMS), which is held under both management and one registration. All submissions must be submitted online at www.hcii2011.org through the CMS, and should include the essence of the planned presentation. The deadline for abstract submission is January 31, 2011. Each individual author can present only one paper. 

**Parallels Paper Presentations:** An abstract of 800 words must be submitted through the CMS. Each abstract should include a description of the objectives of the proposed presentation, a description of methods and a discussion of results. The Conference is divided into the following categories: Digital Human Modeling, Engineering Psychology and Augmented Cognition. Authors should indicate which category the paper will be presented in. Three independent referees from the International Digital Library will review the abstracts, and will indicate a score for the presentation. The authors will be informed on the acceptance decision by April 1, 2011.

**Poster Sessions:** The four-day exhibition will be held during the last three days of Conference. The exhibition will be held in the heart of the international forum for the dissemination of work in all aspects of the ﬁeld of HCI.

**IMPORTANT NOTE:** Individuals can appear as co-authors in several papers in HCI International 2011 and the affiliated conferences, but can present only one paper.

**Student Volunteers**

The HCI International Conference’s Student Volunteers Program gives students the opportunity to attend and contribute to one of the most prestigious conferences in the ﬁeld of HCI. This program is open to students from around the world, and promote interdisciplinary and international student forums and workshops in the ﬁeld of HCI.

**Exhibiting at the Conference**

The HCI International Conference is an ideal opportunity to exhibit your products and services to an international audience of about 6000 researchers, academics, students and users in the ﬁeld of HCI.

**Accommodation**

The Hilton Orlando Bonnet Creek is recommended as the headquarter of the Conference, offering 1500 guest rooms and suites. Adjacent to the Hilton Orlando Bonnet Creek is the legendary original in New York City. Both are in a remarkable location called Bonnet Creek with a prime location in the heart of SeaWorld® and the Universal Orlando® Resort. Both are ideal for students, teachers, researchers, practitioners from around the world, and promote interdisciplinary and international student forums and workshops in the ﬁeld of HCI.
